Assignment # 4: TV Show Opening

Due Date: 11/9/17 (at the beginning of class).

Format: You will hand in a MP4 file. Your name (full or last) should be included in the file name.

Create a TV show opening (sports, sitcom, reality, news, etc.), *or* opening credits sequence to a film (real or imagined). Emphasis should be on **use of 3D** (cameras, lights, 3D layers) and **particles**. You can use any form of media (video, photos, text, illustrations), but music and/or sound effects are required.

Length: 25-30 seconds

Important dates:

10/26/17 – review storyboard in class

11/2/17 – rough draft to be worked on in-class
